**ST. LOUIS ADMIRALS RC MODEL BOAT CLUB REGATTA - September 28-29, 2019**

## **INFORMATION AND REGULATIONS**

### **GENERAL INFORMATION**

The St. Louis Admirals are proud to announce their 30th Annual Regatta. **This year the location has been changed to Watson Trail Park, 12450 West Watson Rd., Sunset Hills, MO 63127.** This event is open to the general public, free of charge. The only cost for registered Regatta participants is for the display and/or trophy competition for their boats at the show. As usual, we are inviting electric and sail (sorry, no gas powered or live steam boats) to join in the fun.

### **REGISTRATION AND DISPLAY**

Registration starts at 0900 hours (9:00 a.m.) until noon Saturday, September 28. The Registration Fee remains the same as it has been --- \$10 for the first boat, \$10 for a second boat, and all additional boats will be FREE.

**Make all checks for club activities to the club treasurer - Lin Blaszkiewicz.**

The fun will begin on Saturday, September 28 at 1000 hours (10:00 a.m.), last until 1600 (4:00 p.m.)

Awards will be presented at 3:00 p.m. on Saturday. On Sunday, September 29, we will start at 1000 hours (10:00 a.m.) until 1300 hours (1:00 p.m.).

A Regatta Committee Official will be present at registration to assist in explaining this year's Regatta information and rules. That Official will determine in which of the three assigned table areas your boat will be placed:

- Kit or Scratch Built To Be Judged
- Kit or Scratch Built To Be Displayed but Not Judged
- Ready to Run / Purchased (No Judging)

A participation plaque will be given to each registered boat Captain.

Once a boat has been assigned to an area by a Regatta Official, the boat must stay in that area. There are no secondary boat classes (e.g. tugs, submarines, etc.).

Ready to run boats are welcome for display and sailing on the lake. Our objective is to encourage all Captains to run boats and have a good time. We want a lot of boats out on the lake and also to share information with the public to put on a good show.

We will have our display area on the East side of the lake near the spillway.

### **RADIO CONTROL**

Only valid radios per FCC Regulations will be able to operate a boat. For all frequencies other than 2.4 GHz, please be sure your correct frequency is marked on your transmitter with a flag and that you have attached a name tag with phone number. There will be no transmitter impound. A frequency board for 75MHz will be provided. Captains must determine if their frequency is in use. If not, he will mark that channel as being used on the frequency board. Upon completion of sailing, he will remove his marker, thus making that channel available for the next captain. Boat captains will be responsible for protecting their own transmitters.

## JUDGING

The following trophies will be awarded:

1. Best in show as judged by the public
2. 1<sup>st</sup> place as voted by paid participants
3. 2nd place as voted by paid participants
4. 3rd place as voted by paid participants

Each boat must qualify as a fully operational R/C Model, as determined by club officials. Only boats that have been scratch built or kit built by the Regatta participant will be eligible for a trophy. You must sail your boat with a Regatta Committee member observing to be eligible for a trophy.

Boats will be judged by all paid participants, with Regatta Chairman breaking ties.

**PLEASE USE ONLY THE OFFICIAL 2019 REGISTRATION**
